# CONSENT FORM

## INFORMED CONSENT TO NATUROPATHIC TREATMENT

Naturopathic medicine is the treatment and prevention of diseases by natural means. Naturopathic Doctors (N.D.'s) assess the whole person, including physical, mental, emotional and spiritual aspects of the individual. N.D.'s used a variety of therapeutic approaches, either alone, or in combination. These include nutritional and lifestyle counseling, nutritional supplementation, Asian medicine and acupuncture, botanical medicine, homeopathy and physical medicine.

This is to acknowledge that I have been informed and I understand that:

- 1) any treatment or advice provided to me as a patient of Kirsten Almon N.D., Aisling Lanigan N.D., Ashley Chauvin N.D., and Dr. Kajal Chohan N.D. is not mutually exclusive of any treatment or advice that I may now be receiving or may in the future receive from another licensed health care provider;
- 2) I am at liberty to seek or continue medical care from a physician or surgeon or other health care provider qualified to practice in Ontario;
- 3) Kirsten Almon N.D., Aisling Lanigan N.D., Ashley Chauvin N.D., and Dr. Kajal Chohan N.D. have not suggested or recommended to me to refrain from seeking or following the advice of another licensed health care provider;
- 4) The treatment and therapies rendered or recommended by Kirsten Almon N.D., Aisling Lanigan N.D., Ashley Chauvin N.D., and Dr. Kajal Chohan N.D. may be different from those usually offered by a medical doctor or other licensed health care provider.
- 5) There are some risks, however rare, to Naturopathic Medicine. These include but are not limited to:
  - aggravation of pre-existing symptoms,
  - allergic reaction to supplements or herbs,
  - pain, bruising or injury from acupuncture,
  - fainting or puncturing of an organ with acupuncture needles.

**I declare that I have received a full and complete explanation of the treatment or services that I may receive at the Erin Mills Optimum Health by Kirsten Almon N.D., Aisling Lanigan N.D., Ashley Chauvin N.D., and Dr. Kajal Chohan N.D. hereby authorize and consent to treatment by Kirsten Almon N.D., Aisling Lanigan N.D., Ashley Chauvin N.D., and Dr. Kajal Chohan N.D. I intend this consent to apply to all my present and future naturopathic care.**
